

PAY YOUR WATER BILL

Different ways to pay your water bill

Paying your water bill on time helps you avoid additional charges and prevents interruption of your water supply. WEB offers different payment options. You can simply choose the option that best suits you.

CHOOSE YOUR PREFERRED PAYMENT OPTION

PAY IN PERSON

AT WEB'S SERVICE COUNTER

At WEB's service counters, payments for water bills and all other matters related to your residential or business water supply are processed. Please bring valid identification and any necessary documents so we can assist you efficiently.

AT ELMAR OFFICES

WEB water bill payments are also accepted.

Note: You must present your current water bill at the counter in order for the payment to be processed.

AT MFA/HULPBESTUURSKANTOOR

Payments are also accepted at all MFA (Community Administration Offices) in Aruba. Please bring your water bill and the exact payment amount in cash.

AT THE SETAR KIOSKS

Pay your water bill at the kiosk at any Setar teleshop for easy, safe, fast, and reliable payments.

You can pay with exact cash (no change given) or with debit card. Just have at hand your 10-digit WEB Account Number or the water bill you'd like to pay.

CHOOSE YOUR PREFERRED PAYMENT OPTION

PAGA ONLINE

DIRECT DEBIT

Your bank can automatically pay your water bill through your checking account. This is called 'direct debit.' Please arrange this service directly

ONLINE BANKING

Pay your water bill each month with just one click using your bank's online system. Use your 10-digit account number as indicated to avoid processing

Available banks:

- Aruba Bank Online Banking
- CMB Online Banking
- RBC Online Banking
- Banco di Caribe Online Banking

PAY.AW

Open your Pay.aw app, select 'Bill Payments,' and follow the instructions on the screen. Or click 'Pay' and scan the QR code on your water bill to complete the payment.

Note: Please ensure you have sufficient balance to complete the transaction.
